

Additional information from the Sr. Warden, Jamie Wince:

1. Due to the COVID 19 virus the office will be closed until further notice. Anne will only be in the office to check phone (859-734-3569) and email messages (saintphilip@bellsouth.net), collect the mail, and complete any administrative business that can't be done remotely.
2. If you need anything or know of anyone in the Parish that needs help you may call Kristie Jones. She is in charge of Parish Life and will serve as our point of contact during this time. If you can't reach Kristie, please try another Vestry member. You may also email or call the office and leave a message. Of course, Bishop Larry will continue pastoral care for those in need.

The Vestry members' phone numbers are below.

3. One thing that hasn't been changed by COVID19 is the fact that we still have bills to pay. If you don't have your pledge deposited electronically, please continue to support St. Philip's by mailing your contribution to the church office (118 W. Poplar St. Harrodsburg, KY 40330).
4. The Community Meal coordinators are working on how to continue with a feeding ministry that keeps both our workers and guest safe during this time. As things change daily we will keep you posted in our weekly announcements.  
As of 3/18, the Christian Life Center is open Monday through Friday for Food pick-up from 9-11 am & 1-3:30 pm.

***One thing that can keep us connected during this time of social distancing is for each of us to pray daily for our congregation and our community.***

Take care.

Jamie Wince, Senior Warden
