Shrove Tuesday, otherwise known as Pancake Day, is traditionally a feasting day before the start of Lent on Ash Wednesday. Lent is traditionally a period of fasting, with many Christians giving up luxuries during this period. Eating pancakes on Shrove Tuesday comes from a tradition of using up any rich foods such as eggs and fats in your house before Lent and a period of fasting begins - and these are just the ingredients you need for pancakes. Shrove Tuesday always falls exactly 47 days before Easter - with this date changing every year.

### Assistant Jr. Warden Report

**An Open House for the CER building is planned for 2/13.**

### Mission Outreach Reports

**David Taylor** shared that he would like to see more coffee hours and chances for fellowship. These gatherings would give opportunities to talk and listen to the parishioners about important decisions of Vestry business.

Vicki thanked Barbara Crain for polishing the altar and altar rails with lemon seed oil. She stated that the pews also need to be polished and that there would possibly be a work day scheduled for the altar guild to accomplish this task.

Meeting was adjourned at 12:45.

### Interior Exterior Repairs

The work has been completed as contracted on the exterior and interior of the church building. This included exterior tuck pointing, new guttering and interior wall and plaster repair. *It looks great! Thanks to everyone who contributed to the "Interior Repair fund" which was begun in 2019 and was used for these projects.* This latest round of work was much needed but has depleted this fund and there is still work to be done both inside and out!

***If you are able, please consider contributing to the "Interior/Exterior Repair Fund" as we now call it, so we can continue taking care of our beloved church building.***
